DINING

As a dining destination in Columbus, the hotel offers many food & beverage concepts, including:

FYR Short North

Located in Tower 402, FYR is our signature live fire restaurant. Recently earning a spot on USA Today's 'Restaurants of the Year 2024' list, FYR represents the metaphorical hearth of downtown Columbus with the centerpiece of the kitchen being a wood-fired grill. The use of fire & smoke is incorporated into most dishes to bring the historical ritual of cooking over an open flame tableside.

Stories on High

Columbus' tallest rooftop bar located on the 28th story of Tower 402, providing contemporary interpretations of cocktails and small plates, all while enjoying sweeping views of the city.

Spark

Meet Spark, our elevated lounge located in the lobby of Tower 402, featuring twists on American classics, local brews and your favorite cocktails. Visit us for a light bite, dinner or drinks. We hope this "sparks" your interest!

Gallerie Bar & Bistro

Gallerie Bar and Bistro is located on the second level of Tower 401. Gallerie Bistro (located in the atrium area) offers a full breakfast daily, including classic American and seasonal dishes. The Gallerie Bar area offers classic midwest fare in a comfortable and relaxed setting, complete with TVs to root on your favorite sports team.

The Market & Provisions on High

Grab & go cafés located in each tower; offering coffee, pastries, light meals and snacks.
