Overview of Advertising & Promotion Opportunities

ESA offers a variety of advertising outlets, including both print and digital options. You can cast a wide net and share your message with our entire audience or target individuals in specific disciplines or career stages.

From emerging agtech startups to billion-dollar industry giants, a wide variety of publishers, equipment manufacturers, universities, and others have experienced success with these advertising opportunities.

Audience

Advertising with the Entomological Society of America provides a simple way to grow your customer base and communicate with a diverse group of entomology enthusiasts, from student to CEO.

Founded in 1889, ESA is the largest organization in the world serving the professional and scientific needs of entomology researchers, teachers, students, and hobbyists. Our website, publications, and Annual Meeting reach beyond our 7,000 members and include people from more than 200 countries and territories around the globe.

ESA Ad Retargeting

We are offering you ... An Advertising Opportunity With Digital Ad Retargeting

Ever look at a pair of shoes online, or a potential vacation spot, and then for the next couple weeks you notice that ads for those same shoes or vacation spot seem to be following you around the internet? That's ad retargeting. Retargeting uses cookies to track visitors of one website and then reach those same visitors with ads on other websites.

ESA's audience becomes your audience with ad retargeting. Get exclusive direct access to ESA website visitors and retarget them with your company's ads that will showcase your brand, anywhere they visit online.

Receive detailed reports that allow you to see your campaign results in real-time including impressions, clicks, and geographical locations of ads served.

HERE'S HOW IT WORKS:

Your ads will appear on multiple major websites and mobile apps, following the ESA audience wherever they go.

CHOOSE YOUR AD PACKAGE

ESA Career Center

Place your ad front and center with individuals who are searching for job postings.

The Career Center is the second most visited page on the ESA site, averaging more than **5,000 unique visitors** and **22,000 unique pageviews** per month.

Leaderboard-style ads are available at the top and bottom of the page, and skyscraper ads can be placed on the right or left. The Career Center also offers a variety of branding options, including the ability to create a “brand profile page” that serves as a microsite where employers can post additional items, such as promotional videos.

Visitors to the Career Center spend **more than one minute** on each page— meaning your ads have ample time to be viewed.

American Entomologist magazine

American Entomologist — the society’s flagship magazine — provides an engaging, cover-to-cover reading experience.

The magazine’s colorful, award-winning design attracts readers at all career stages but has particularly high readership among students and early career professionals. Available in both print and online editions, American Entomologist is distributed to ESA’s **7,000+ members** as well as online readers from around the world.

American Entomologist is a colorful quarterly magazine that covers the broad and fascinating world of insects.

Following its award-winning 2019 redesign, the magazine is seeing re-energized engagement from members and nonmembers alike. **Print circulation increased 7%** and **online visits increased 27%** in 2020. Feature articles deal with all aspects of entomology, including insect traps, entomology education, invasive species, diversity among scientists, and pollinator conservation.

See page 5 for sizes and rates.

American Entomologist won a 2021 Communicator Award from the International Academy of Interactive & Visual Arts.

PRINT CIRCULATION: 5,540 (2020)

ONLINE VISITS WITH CONTENT ENGAGEMENT: 22,508 (per month avg.)
