Student Affairs Committee

- Traditional Macro Photography
- Title: Nothing but Trash
- Erfan Vafaie
- Lacewing larva after completing its full disguise under a pile of debris and remains from past victims.

Student Affairs Committee

- Microphotography
- Title: Visceral or Van Gogh?
- Brian Rich
- This is a non-cleared Oncopodurid springtail mounted on an old slide from the 1970's. The artifacts are a result of the non-stick solution having dried up over the decades until we used the slide.

Student Affairs Committee

- Arthropods in Action
- Title: Rolling on the River
- Carl Hjelman
- Two dung beetles roll along droppings from free roaming donkeys near the river at the Rio Grande Village Campsite in Big Bend National Park in June 2018. Photo taken with Samsung Galaxy S7 Edge Camera (SM-G935V, f/1.7, Exposure 1/1240 sec., ISO-50)

Student Affairs Committee

- Artistic
- Title: Spirals
- Leon Tan
- Close up of Giant African Millipede raised at Insect Adventure in Stillwater, Oklahoma. Shot with Olympus TG4

Student Affairs Committee

- Best Overall Image
- Title: Hi Frien'!
- Erfan Vafaie
- Gulf fritillary (*Agraulis vanillae*) butterfly giving a friendly wave during the photo shoot
